

Microtonal Projects

Contents of Microtonal Trumpet Dropbox Resources

- 1) Habá and Sediva instruments
 - File of images taken at Stephen Altoft's visit to Czech museum of Music – National Museum of Czech Republic. Introductory script.
- 2) Five Introductory Videos
 - The original five videos which introduced the projects and which were on the old website. These were replaced in 2017 by the videos in our You Tube [playlist](#)
- 3) The Contemporary Trumpet and The Microtonal Trumpet
 - An article written by Stephen Altoft on the Contemporary Trumpet and The Microtonal Trumpet book by Stephen Altoft and Donald Boustead
- 4) Additional Free Resources
 - Fingering Charts; Glissandi and Trill Charts; Interval Look-up charts and a Repertoire List for microtonal trumpet
- 5) Recordings of the 24 Microtonal Studies which are used as the basis for examples in The Microtonal Trumpet
 - Audio files as wav. Or mp3
- 6) The Yasser Collection
 - The original .wav files for The Yasser Collection CD (which has since sold out) and programme notes for the CD
- 7) RASP CD Scores
- 8) The Yasser Collection CD Scores

N.B. The scores to 24 Microtonal Studies (Study Booklet) are for sale through [Tutti](#) or [Microtonal Projects](#)
